

UNIVERSITÀ DEGLI STUDI DI ENNA "KORE"

Rector's decree N. 13 of 25 May 2018

**ADMISSION SELECTION CALL FOR THE
RESEARCH DOCTORATE COURSE IN "ECONOMICS, BUSINESS MANAGEMENT AND LAW"
Academic year 2017/2018 (XXXIV Cycle)**

Art. 1

Institution

Admission selection call, on the basis of an assessment of the educational curriculum and qualifications, is hereby announced for **8** available places to the PhD Research course in "Economics, Business Management and Law" – code DOT15D6709 ("Ph Degree"), Academic year 2018/2019 (XXXIV Cycle), at "Kore" University of Enna.

The PhD course is three years.

In order to submit their application for a place in this Doctoral research course, Italian and foreign citizens holding a degree diploma achieved in the education system prior to Italian law or an equivalent academic qualification achieved abroad, comparable in duration and content to the above Italian qualifications and approved in advance by the Admission Boards, may submit an application to participate in the call for admission to the selection. The eligibility of the foreign academic qualifications in terms of content is appraised by the Admission Board.

As regards as not specified issues in this call for proposal, applicants must refer to the provisions contained in the Academic Regulation (D.P. 181/2017).

Every male expression must refer to male and female candidates or students.

Communications concerning this call will be published, with the value of official notification to the interested parties, on the University website. In order to adapt the University's operational and qualitative standards to the Regulation (EU) 2016/679, candidates who present the application for participation, according to the procedures described in the following art. 3, will receive an univocal alphanumeric identification code, which will be sent to the e-mail address indicated by them in their application form. In the documents made public by the Kore University of Enna, relating to this selective procedure, the personal data of each candidate will be replaced by this code.

Art. 2

Scholarships

The total number of scholarships in this PhD Research course is **6**, including scholarships financed by the Sicilian Region.

Annual gross scholarship in accordance with D.M. 25 of January 2018, n.40 is € 15.343,28 and it is submitted to regulation of the Italian income tax in the total amount of the scholarship itself.

The duration of the grant is annual and set up on postponed monthly payments.

Scholarships have a yearly duration and are renewed for three years under the condition that the doctoral student has completed the research activities included in the program of the previous year and that the Academic Board has proposed the admission to the next year.

In case of suspension of the attendance to the course that is longer than thirty days, the scholarship cannot be paid. The amount of the scholarship will be increased by 50% in proportion and in relation to periods of training abroad foreseen by the study plan, not before the admission to the second year; this increase will not be supplied for a number of months higher than the half of the total duration of the doctorate course.

Starting from the second year, depending on the financial resources available within the University

balance, an extra budget not lower than the 10% of the amount of the scholarship will be guaranteed to each student. The Board of Directors, according to Senate's opinion, each year establishes the amount and the modalities of payment of the above mentioned budget. If the student is not evaluated in a positive way for the renewal of the scholarship or if he/she refuses it, the remaining amount remains at disposal of the institution, for the same purposes.

The scholarships are assigned only if the annual gross amount is not higher than the total annual income of each scholarship.
