\*Yearly courses last both semesters and can be chosen by Erasmus students that spend the whole year at our university. Students that are here for just one semester MUST contact their Erasmus tutor before filling in their Learning Agreement and ask which of these options is available to them: (i) select the subject regularly even if they can only attend half of the course and still gain 12ECTS, (ii) select the subject for half of the program (6ECTS instead of 12) and be examined on just half of the program , (iii) cannot select the subject. The decision of the Erasmus tutor is not negotiable
